

Hot Mix Asphalt Maintenance for Decision Makers

October 20, 2009

RMAEC Training Center, Centennial, CO

The Colorado Asphalt Pavement Association (CAPA) in cooperation with the Rocky Mountain Asphalt Education Center (RMAEC), invite you to attend this informative seminar

This seminar, lead by Asphalt Industry experts, will provide information for decision makers responsible for planning and executing budgets. The seminar will cover the construction, maintenance and repair of Hot Mix Asphalt (HMA) pavements. Develop your understanding of HMA pavement, don't ignore HMA pavement maintenance. It's much less expensive to maintain what you already have, than have to replace an HMA pavement.

Items to be discussed will include:

- Maintaining HMA Pavements
- Methods of Repairing Asphalt Pavement
- LEED Credits and Green HMA Paving
- Pavement Management Systems (PMS)
- Consumer Beware of Asphalt Scams

Target Audience

Property Managers, Facility Managers, Decision makes who are directly or indirectly involved in the budgeting and decision making process for maintaining HMA pavements.

Schedule: Registration check-in 9:30 am. Seminar begins at 10:00 am. Conclusion at 2:00 pm. Lunch will be provided.

Fees: \$125 per person

Seminar Location: CAPA Office - RMAEC Training Room
