

**Rocky Mountain Asphalt
Education Center**

The RMAEC invites you to attend the Asphalt Paving Materials (APM) Inspector Certification session as an educational program. Participants who register are interested in APM Inspection, but do not need certification. Therefore, education program participants do not need to satisfy certification prerequisites. Education program participants will be dismissed prior to the APM Inspector certification written exam.

Course Topics - Understanding Inspection Elements:

Specifications, Surface Preparation, Materials Transfer, Sampling of Asphalt Mixtures, Paving Operations, Compaction Process, High Speed Inertial Profiling, and Mat Defects.

Please check the requested session date & provide billing information. Confirmation will be sent to the email listed below.
