Asphalt Technician Prerequisites

Asphalt technicians are required to satisfy all qualifying prerequisites for their initial certification by level. The prerequisite form is a qualifying document which provides a format for required signatures.

Prerequisites include:

- Testing Experience
- Verification of Proficiency in Lab Procedures as required by level
- Liability Release

The asphalt technician prerequisite form is available on the CAPA website home page under LabCAT Asphalt Technician Registration, or by contacting the RMAEC at (303) 741-6148 ext.154.
