Self-Verification Prerequisite Form:

Asphalt technicians are required to satisfy all prerequisites for their initial certification by level. The self-verification prerequisite form provides a format for the technician's verification and signature. Please see the technician self-verification prerequisite form for details. The form is available on the CAPA website home page under LabCAT Technician Registration form, or by contacting the RMAEC.

Prerequisites include: Testing experience, Self-verification of proficiency in laboratory procedures as required by level, and the Liability release.

STEP 3: SUBMIT THIS FORM AND THE SELF-VERIFICATION PREREQUISITE FORM prior to the registration close date. Close date is the Wednesday prior to the session start date. Submit via email: rmaec@co-asphalt.com

Please provide the technician's email address. This email will only be used during the certification session. This email is required for their access to our electronic system now being used for written exams. Please write legibly.
