2026 CONSTRUCTION BID OPPORTUNITIES

TRANSPORTATION CAPITAL IMPROVEMENT PROJECTS

Date: December 9, 2025

From: Dana Hornkohl, Capital Projects Manager

Notes: All listed projects are Design-Bid-Build and will be advertised on [BidNet Direct](#)

2025

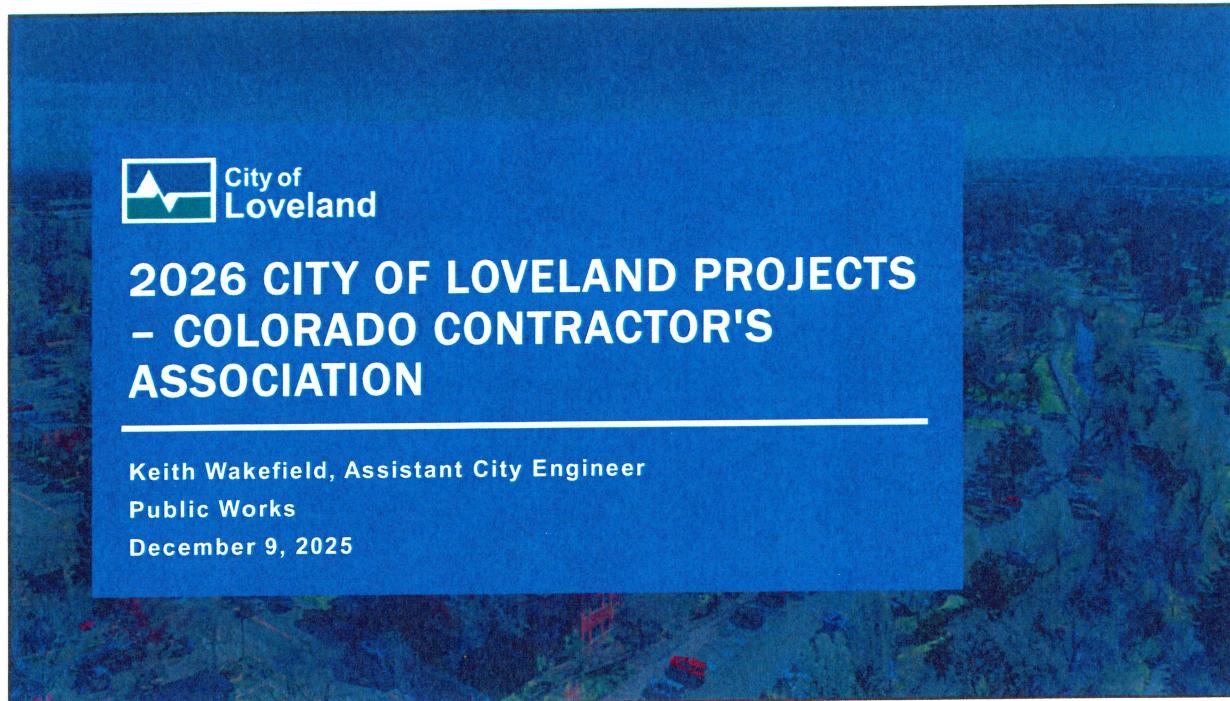

- College/Triangle Signal Improvements, Marc Virata/Cory Surbrugg
 - Traffic signal, active modes improvements, \$1.0 to \$1.3M, December 5, 2025

2026

- Trilby Bridge Replacement, Jin Wang
 - Bridge replacement, \$2.5 to \$3.0M, December 2025
- Power Trail – Golden Meadows Park to Harmony, Harmony to Keenland, Dillon Willett
 - Trail sections north and south of Harmony underpass under construction, \$900K to \$1.1M, February 2026
- Timberline/Lincoln/Mulberry Intersection Improvements, Mark Laken
 - Michigan U-turn on Timberline, \$1.2 to \$1.5M, March 2026
- William Neal/Ziegler Intersection Improvements, John Gerwel
 - Traffic signal, active modes improvements, \$1.0 to \$1.3M, March 2026
- Taft Hill Corridor Improvements – Horsetooth to Brixton, Florian Fiebig
 - Widening, active modes improvements, \$9.5 to \$10M, March 2026
- Vine/Jerome Intersection Improvements, Florian Fiebig
 - Rectangular Rapid Flashing Beacons (RRFBs), active modes improvements, \$800K to \$1.0M, June 2026
- Drake/Lemay Intersection Improvements, Florian Fiebig
 - Southbound right-turn lane and signal improvements, \$900K to \$1.1M, July 2026

2025-2026 Construction Bid Opportunities – Transportation Capital Improvement Projects,
December 9, 2025

- Pedestrian Intersection Improvements, Florian Fiebig/Jeff Usher
 - Pedestrian signal and active modes improvements at five locations, \$1.9 to \$2.2M, August 2026
 - Lake Street and Aggie Trail
 - West Prospect Road and Prospect Lane
 - Sharp Point Drive and March Court
 - East Mulberry Street and Remington Street
 - Kechter Road and Old Mill Road

2026 CITY OF LOVELAND PROJECTS - COLORADO CONTRACTOR'S ASSOCIATION

Keith Wakefield, Assistant City Engineer

Public Works

December 9, 2025

1

Transportation Capital Improvement Projects

Contact: Keith Wakefield at Keith.Wakefield@cityofloveland.org

Boise Traffic Calming

Scope: Three pedestrian crossings along Boise and a crosswalk improvement at Taft and 10th St.

Includes: ADA curb ramps, curb & gutter, rectangular rapid flashing beacons, conduit, signing and striping, grading and HMA patching

Bid Date: Early 2026

Budget: \$400,000 - \$700,000

Design, Bid, Build advertised on BidNet

US 34 Westbound Widening

Scope: US 34 Widening from Fall River to Boyd Lake

Includes: ADA curb ramps, curb & gutter, detached sidewalk, storm sewer, signing and striping, grading and HMA paving

Bid Date: Mid Late 2026

Budget: \$1.5 Million - \$2.5 Million

Design, Bid, Build advertised on BidNet

US 287 and US 34 ACCESS Project

Scope: Intersection reconstruction of US 287 and 34

Includes: Curb, gutter, sidewalk, concrete medians, storm sewer, grading, paving, signing and striping, and traffic signals

Potential CMAR RFP Date: Mid Late 2026

Construction Budget: \$10 Million - \$15 Million

Potential CMAR advertised on BidNet

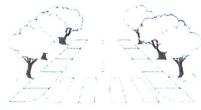

2

2

Traffic Capital Improvement Projects

Contact: Matt Ruder at Matt.Ruder@cityofloveland.org

Pedestrian Crossing Improvements

Scope: Ten pedestrian crossings

Includes: Rectangular rapid flashing beacons, conduit, signing and striping, and signals

Bid Date: Early 2026

Budget: \$250,000 – \$500,000

Design, Bid, Build advertised on BidNet

1st and Washington Signal

Scope: New full signalized intersection

Includes: Signals, conduit, signing and striping, and ADA curb ramps

Bid Date: Mid 2026

Budget: \$500,000+

Design, Bid, Build advertised on BidNet

3

3

Street Maintenance Contract

Contact: Ben Reiter at Ben.Reiter@cityofloveland.org

Concrete Maintenance TA-3

Scope: Concrete Rehabilitation

Includes: Curb, gutter, and sidewalk

Bid Date: Early 2026

Budget: \$250,000 – \$500,000

Design, Bid, Build advertised on BidNet

Possible extension up to 4 renewals

Stormwater Maintenance Projects

Contact: Kevin Gingery at Kevin.Gingery@cityofloveland.org

Various Maintenance and Asset Management Projects

Includes: Storm inlet, storm pipe, concrete pan, headwall, concrete paving, pipe lining, grading and rock boulder retaining walls

Bid Date: Early 2026

Budget: \$1.5 Million - \$2.5 Million

Design, Bid, Build advertised on BidNet

4

4

Town of Estes Park

1. State Highway 7 Trail Reconstruction: reconstruction of approximately 1,700 feet of existing asphalt trail, replacing with ADA compliant concrete at 10 feet wide. The Town is awaiting notice of award for CPW grant funds, if received, the project will be advertised in Q2 of 2026 with anticipated construction in Q3/Q4 of 2026. The Town advertises all construction projects on BidNet, and the Town's website.
2. Overlay & Patching: this contract consists of annual mill and fill paving, or full reconstruction of asphalt streets with Estes Park. Currently, this contract is extended annually, and will come up again for bid in 2028.

CCA- Northern Colorado 2026 Bid Opportunities – Town of Johnstown

2026 Construction Projects:

1. Project #306.1 – CO60 & Colorado Blvd Irrigation Relocation Project

- a. Scope: Irrigation relocation prior to full intersection widening project.
 - i. PVC Pipe
 - ii. Concrete Headwalls & Diversion Structures
 - iii. HMA Patching
- b. Currently out for bid on Bidnet
 - i. Bids due 12/19/2025
- c. Engineers Estimate: Not provided at this time
- d. Anticipated Start: Mid-January 2026
- e. Delivery Method: Design-Bid-Build

2. Project #606 – Sandra Drive Pond Project

- a. Scope: Detention pond with 3,000LF of storm drainage pipe
 - i. Unclassified Excavation
 - ii. RCP Pipe
 - iii. Jack and Bore Casing
 - iv. Concrete Forebays, Water Quality Structure, Retaining Walls
 - v. Landscaping and Seeding
 - vi. HMA Patching
- b. Currently out for bid on Bidnet
 - i. Bids due 12/19/2025
- c. Engineers Estimate: Not provided at this time
- d. Anticipated Start: Mid-January 2026
- e. Delivery Method: Design-Bid-Build

3. Project #306.2 – CO60 & Colorado Blvd Intersection Widening

- a. Scope: Intersection Widening Project
 - i. Unclassified Excavation
 - ii. RCP Draimage
 - iii. Jack and Bore
 - iv. Aggregate Base Course
 - v. HMA Paving
 - vi. Concrete Flatwork

The Community that Cares

- vii. Intersection Signals
- b. Anticipated Bid: Spring 2026
- c. Anticipated Start: Spring/Summer of 2026
- d. Engineers Estimate: Not provided at this time
- e. Delivery Method: Design-Bid-Build

4. Project #310 – West Parish Alley Project

- a. Scope: Alley Enhancement Project
 - i. Concrete Flatwork
 - ii. Paver Installation
 - iii. Irrigation
 - iv. Art Installation
- b. Anticipated Bid: Spring 2026
- c. Anticipated Start: Spring/Summer of 2026
- d. Engineers Estimate: Not provided at this time
- e. Delivery Method: Design-Bid-Build

5. 2026 Pavement Maintenance Program

- a. Scope: Asphalt Mill & Overlay
 - i. Mill & Overlay
 - ii. Full Depth Replacement
 - iii. Subgrade Preparation
- b. Anticipated Bid: Mid-January 2026
- c. Anticipated Start: May 2026
- d. Available Funding: \$2.0M
- e. Delivery Method: Design-Bid-Build

6. 2026 Concrete Maintenance Program

- a. Scope: Concrete Flatwork Remove and Replacement
 - i. Concrete Flatwork Remove and Replace
 - ii. Concrete Alley
 - iii. HMA Patching
- b. Anticipated Bid: Mid-January 2026
- c. Anticipated Start: April 2026
- d. Available Funding: \$1.15M
- e. Delivery Method: Design-Bid-Build

7. 2026 Pavement Slurry/Chip Seal Program

- a. Scope: Roadway Chip Seal/Slurry Seal
- b. Anticipated Bid: Mid-January 2026
- c. Anticipated Start: May 2026
- d. Available Funding: \$500K
- e. Delivery Method: Design-Bid-Build

Town of Mead 2026 Projects
www.bidnetdirect.com/colorado
www.townofmead.org/rfps

Project Name	Project Description	Construction Budget	Estimated Ad Date	Construction Period	Delivery Method
2026 Asphalt Patching/Paving Project	Annual patching, milling, overlay, reconstruction and pavement markings	\$ 2,000,000	Renewable; Rebid 2028	Q2 - Q3 2026	Hard Bid
2026 Concrete Replacement and Repairs	Annual removal and replacement of concrete pavement, curb & gutter, sidewalk and pedestrian access ramps	\$ 200,000	Renewable; Rebid 2028	Q2 - Q3 2026	Hard Bid
2026 Pavement Resurfacing	Annual chip and slurry seal resurfacing	\$ 225,000	Renewable; Rebid 2029	Q2 - Q3 2026	Hard Bid
CR 34 Bridge Replacement	Removal of the bridge structure on CR 34 west of CR 5 and construct a new concrete box culvert (Federal Funds)	\$ 1,800,000	Q1 2026	Q4 2026 - Q1 2027	Design-Bid-Build
Police Facility	Construct new Police facility and related site work (18,000-21,000 SF)	\$ 12,000,000	Q2 2026	2027	Alternative Delivery Method TBD
Sanitary Sewer Relocation	Approximately 650 linear feet of 21 inch PVC sanitary sewer to be relocated near the intersection of CR 34 and I-25	\$ 475,000	Q1 2026	Q2 - Q4 2026	Design-Bid-Build
Concrete Sidewalk - Safe Routes to School	Installation of new concrete sidewalk on 3rd Street (CR 7) and on Welker Avenue (CR 34) to provide safe travel to and from local schools (Federal Funds)	\$ 600,000	Q1 2026	Q3 - Q4 2026	Design-Bid-Build
SH 66 Pedestrian Underpass	Construction of a pedestrian underpass at CR 7 and SH 66, including related concrete trail connections (Federal Funds)	\$ 4,000,000	Q1 2026	Q4 2026 - Q2 2027	Design-Bid-Build
Asphalt Paving - CR7 from CR38 to Ball Aerospace Drive (Joint Project with Berthoud)	Installation of asphalt pavement (1.8 miles), signs, paint, and drainage improvements on CR 7 from CR 38 to Ball Aerospace Drive; currently under design and applied for grant funding (Federal Funds)	\$ 7,500,000	TBD	TBD	Design-Bid-Build

Contact: Dave Mathews, Deputy Town Engineer, dmathews@townofmead.org

Town of Timnath

Timnath Parkway - Buss Grove to Main Street

- Scope: Extend Timnath Parkway from Buss Grove north to Main Street as a two-lane arterial with bike lanes, detached sidewalks/shared-use paths, drainage improvements, lighting, and associated utility work.
- Budget range; \$5M-\$6M
- Targeted Ad: March 2026
- Delivery method for the project: Design–Bid–Build
- Info about where you advertise (own website, BidNet, Daily Journal, etc.);BidNet / Rocky Mountain E-Purchasing System

TOWN OF WINDSOR
2026 CAPITAL IMPROVEMENT
PROJECTS

PROPOSED PROJECT LIST
***Adverstised at <https://www.windsorgov.com/13/Bids-RFPs>**
****All projects will be Design-Bid-Build**

Project Name	General Project Description	Construction Budget	Approx. Ad Date	Construction Period
ENGINEERING DIVISION				
Roundabout at Crossroads Blvd. and Colorado Blvd.	Scope of work includes converting a signalized intersection into a roundabout, North and East leg road widening, Falling Leaf & Iron Wheel access connections to Colorado Blvd and Crossroads Blvd. Critical utility relocations for PVREA primary service infrastructure was completed in 2025.	\$ 7,000,000	Q1	Q2 - Q4
WCR 13 Road Realignment at Jacoby Rd.	This project includes Phase 1 construction in 2026 of a new roadway south of Jacoby Rd utilizing awarded STBG grant funds. The overall project will be broken into two major phases. Phase 1 will be south of Weld County Rd. 68.5/Larimer County Rd. 32E (LCR 32E) and the future phase 2 will be north of LCR 32E.	\$ 2,185,000	Q1	Q2-Q4
Crossroads Blvd Railroad Crossing Improvements	The railroad crossing on Crossroads Boulevard has settled due to drainage issues, resulting in a very rough crossing. To address this, Great Western Railway (GWR) will raise the tracks and install new crossing materials, while the Town will improve the roadway and sidewalk approaches, pavement markings, removal of landscape/irrigation, along with drainage improvements.	\$ 1,001,425	Q1	Q2 - Q4
East Sewer Interceptor 257 North Extension (CR72 to CR 74)	The scope of this project includes the continuation of extending an 18-inch PVC sewer interceptor approximately 8,137 LF by open cut and approximately 465 LF of 18-inch PVC sewer and steel casing by trenchless bore. In addition the project includes restoration of disturbed landscape and pavement areas.	\$ 5,000,000	Q1	Q1-Q2
Central Gravity Sewer System Upgrades	Potential sewer system upgrades resulting from the north central sewer basin study. The study is currently being finalized. The project will seek to improve wastewater capacity along several roads within the Windsor Central Sewer Basin.	\$ 485,000	Q2	Q3 - Q4
Fossil Creek Master Drainage Basin Improvements - Phase I	Fossil Creek Drainage Basin Master Plan improvements near LCR 30. The project will implement phase one master plan improvements identified in 2024. The project includes approximately 1,350 LF of drainage channel construction.	\$ 500,000	Q2	Q3 - Q4
PUBLIC WORKS DIVISION				
Street Maintenance - Asphalt Sealcoating and Crack Sealing, Concrete Replacement	This aspect of the Town's Annual Street Maintenance Program focuses on asphalt sealcoating, asphalt crack sealing and miscellaneous concrete replacements in public rights-of-way throughout Windsor.	\$ 2,280,000	Q1	Q1 - Q4
Street Maintenance - Asphalt Overlays	This aspect of the Town's Annual Street Maintenance Program focuses on milling and overlaying existing public streets throughout Windsor.	\$ 2,050,000	Q1	Q2 - Q4
East Back Lot Parking Lot Improvements	This project consists of building a 131 stall parking lot, with lighting, irrigation, landscaping, and drainage improvements. In addition there is approximately 650 LF of 12-inch PVC sewer main and approximately 1,650 LF of 16-inch ductile iron water main with 16-inch PVC.	\$ 4,290,000	Q1	Q1 - Q3
15th Street Waterline Replacement	Replacement of 3,300 LF of 20-inch cast iron pipe with 24-inch PVC between Main St. and Southwood Ln.	\$ 6,500,000	Q2	Q2-Q4
12 Street Drainage Improvements	Existing storm drain inlets north of 12th St. and Walnut St. are undersized and become inundated during typical, minor storm events, which results in street and yard flooding. To remediate flooding, the Town plans to install additional inlets and storm pipe.	\$ 750,000	Q1	Q2 - Q3

Northern Integrated Supply Project (NISP) Update

Issue Date: December 8, 2025

To: All Interested Parties

From: Northern Water

Subject: NISP Upcoming Projects

NISP Procurement

Northern Integrated Supply Project Water Activity Enterprise ("NISP Enterprise") will begin the official procurement process on three (3) major components of the Northern Integrated Supply Project in December 2025. NISP is a proposed water supply project that includes components located within Larimer County and Weld County, Colorado. NISP components involve two off-channel reservoirs and facilities, over 80 miles of transmission pipelines, pump stations, relocation of Highway 287, canal improvements, and multiple environmental projects. More information on NISP can be found at www.northernwater.org/nisp.

Anticipated Projects Bidding in 2026 include:

1) Glade Reservoir Main Embankment – Design Bid Build

A. Budget: \$800 Million

B. Advertisement Dates:

- o Requests for Proposals Advertised (Quals & Technical): December 17, 2025
- o Proposals Due: March 2026
- o Qualification Short List: May 2026
- o Invitation for Bids: June – August 2026
- o Award: October 2026

C. Project Description: New off-channel reservoir with an active storage capacity of 170,000 acre-feet includes

- o Approximately 300-ft high, 20 million cubic yard, zoned earth-rockfill embankment dam with an approximately 5,000-ft long crest,
- o Excavated and lined forebay with a storage capacity of 500 acre-feet,
- o Spillway, high-level outlet works, low-level outlet works, and other appurtenances.

2) Munroe Canal Bypass – Design Bid Build

- A. Budget: \$120 Million
- B. Advertisement Dates:
 - o Requests for Proposals Advertised (Quals & Technical): December 17, 2025
 - o Proposals Due: March 2026
 - o Qualification Short List: May 2026
 - o Invitation for Bids: June – August 2026
 - o Award: October 2026
- C. Project Description: Concrete encasement and burial of a 102" diameter steel pipeline to convey an existing canal under the proposed Glade Reservoir

3) Glade Pump Plant – Design Bid Build

- A. Budget: \$140 Million
- B. Advertisement Dates:
 - o Requests for Proposals Advertised (Quals & Technical): December 17, 2025
 - o Proposals Due: March 2026
 - o Qualification Short List: May 2026
 - o Invitation for Bids: June – August 2026
 - o Award: October 2026
- C. Project Description: Pumping facilities with vertical centrifugal pumps to pump water from the forebay into the reservoir, including
 - o Pump plant building, pumps, motors, VFDs, pump discharge piping and valves, and surge control.
 - o Substation that will interconnect a 115-kV transmission line (constructed by others) with the Glade Pump Plant and reduce the voltage down to the pump motor voltage of 6.9-kV.

4) Northeast Pipeline – Design Bid Build

- A. Budget: \$60 Million
- B. Advertisement Dates:
 - o Requests for Qualifications Advertised: Summer/ Fall 2026
 - o Invitation for Bids: Winter 2026 – Spring 2027
 - o Award: Spring/ Summer 2027
- C. Project Description: 12 Miles of approximately 48" Diameter Steel Pipe

Prospective subcontractors and vendors may submit contact information for a project database here: <https://www.northernwater.org/NISP/subcontracting-and-vendor-opportunities>.

Data will be made accessible to prime contractors for consideration. All formal Northern Water solicitations will be conducted solely through the Rocky Mountain E-Purchasing website (<https://www.bidnetdirect.com/colorado>).

Table 1, below, presents the anticipated schedules for the procurement process for the first 3 packages list above.

Table 1 – Solicitation Timeline (Main Embankment, Munroe Canal Bypass, and Glade Pump Plant Packages)	
Schedule	Deadline
REQUEST FOR PROPOSALS PROCESS	
Issue Request for Proposals	December 17, 2025
Preproposal Meeting <i>(In-Person in Berthoud, CO with a Virtual Option)</i>	January 13, 2026
<i>Proposal Due Dates (Varies by Package)</i>	
Proposal Due for Munroe Canal Bypass Package	March 5, 2026
Proposal Due for Glade Pump Plant Package	March 12, 2026
Proposal Due for Glade Main Embankment Package	March 19, 2026
Notification Of Interview Invitations	April 2026
Conduct Interviews (In-Person)	April 20 – April 24, 2026 April 27 – May 1, 2026
Notification of Shortlists	May 2026
INVITATION FOR BIDS & AWARD PROCESS	
Issue Invitation for Bids	June 2026
Bids Due	August 2026
Conduct Interviews/ Meetings (if necessary)	September 2026
Select Contractors	September 2026
Request Approval from Northern Water/ NISP Board of Directors	October 2026
Execute Limited Notice to Proceed Contracts	October 2026
Execute Full Notice to Proceed Contracts for Construction	March 2027

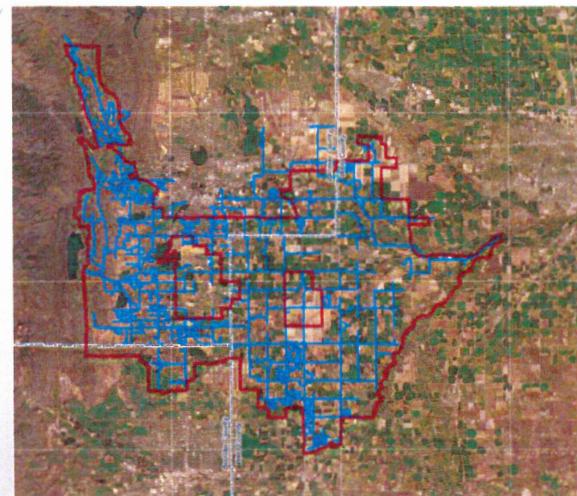

Little Thompson Water District

5-YEAR CAPITAL PROJECTS FORECAST 2026 - 2030

Headquartered in Berthoud,
the LTWD System
Encompasses Approx. 300
Square Miles within Weld,
Larimer and Boulder
Counties.

District Facilities Include:
2 Water Treatment Plants,
Dry Creek Res. (10,000 AF),
Transmission Lines up to 42",
Numerous Storage Tanks,
Pumping Systems, and Over
65 PRV Stations.

LTWD SYSTEM OVERVIEW

Anticipated LTWD Capital Projects for 2026 through 2030 Generally Include:

- Potable Water Distribution and Transmission Lines
- Potable Water Storage Tanks – Rehabilitation and New Construction
- Raw Water Transmission Lines – New Construction
- Raw Water Pump Stations – New Construction
- Control Valve Vaults with Telemetry
- Facility Site Security Improvements – Fencing, Motion Lights & Cameras
- Office Remodeling & New Storage Structure

Approximate 5-Year Capital Budget - \$156 Million

Typical Delivery Method:

- Design – Bid – Build

Where We Advertise:

- Rocky Mountain E-Purchasing (BidNet)
- LTWD Website: <https://littlethompsonwd.colorado.gov/>

Project List for 2026 - 2030

- Northeast Transmission Line Phase 2, 3.5 miles of 12" waterline along LCR 16, Colo. Blvd. to Hwy. 402 (2027)
- H2 Pump Station & Transmission Line 2,200 gpm, 4 miles of 18" pipeline from Lonetree & Welch Reservoirs to Dry Creek Reservoirs (2026-2028)
- RFO Pump Station & Transmission Line, 3.5 miles of 16" from Dry Creek Reservoir to the Little Thompson River (2029-2030)
- Markham 7 MG Concrete Tank w/ 3,000 feet of 30" Fill & 30" return piping (2027-2028)
- 2nd Use Water – Pump Stations & Pipelines, St. Vrain River diversion with raw water pump stations & transmission lines (2029-2030)
- Phil's Vault to Hwy 60 Pipeline Upsize, 2.5 miles of 12" waterline (2027)

Project List for 2026 – 2030 Continued

- Kennedy Bypass, 3,100 feet of 6" waterline (2029)
- Kennedy Line Replacement, 1 mile of 12" waterline (2029)
- 20" Transmission Line – Tap Relocations, 2,200 feet of 8" waterline & 1,800 feet of 6" waterline (2029)
- CR 40 10" AC Pipeline Replacement, 1 mile of 12" waterline (2030)
- Lebsack Lane Pipeline Upgrade, 1200 feet of 6" waterline (2028)
- **County Road Waterline Improvements - \$750,000 (annual budget)**

Project List for 2026 – 2030 Continued

- **Small Line Improvement Projects - \$125,000 (annual budget)**
- Fencing at Twin Mounds Tank Site (2027)
- Fencing at Mead Tank Site (2027)
- **Office Remodel (2026)**
- **4,200 SF Pipe Shed (2026)**

5	Bridge 60.5/49A Replacement (Design Phase)	\$8,000,000 to \$10,000,000 4th Quarter 2026

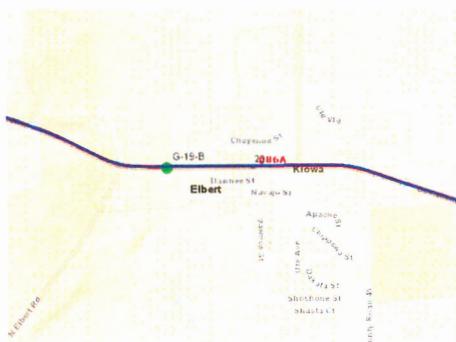

CDOT R4 2026 Bid Opportunities

Limon Residency Bid Opportunities

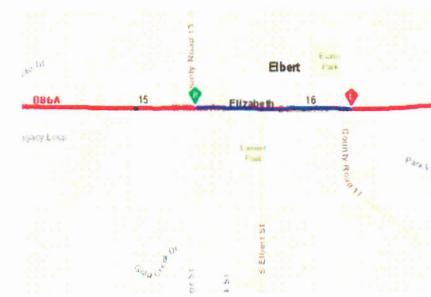

26083, CO 86 Kiowa Bridge G-19-B

- Location/Extent: Structure G-19-B on CO 86 the west side of Kiowa
- Scope: Full bridge replacement, shoo fly detour
- Budget Range: \$5-10M
- Ad Date: November 2025
- Construction: February 2026

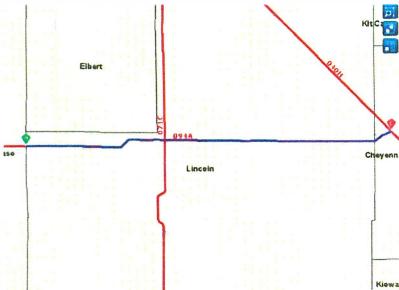

25632, CO 86 Town of Elizabeth Resurfacing

- Location/Extent: CO 86 MP 15.3 - 16.3 & 17
- Scope: 2" mill/HMA fill, traffic detection camera at CR 17, ICWS at CR 21 (MP 17)
- Budget Range: \$1-2M
- Ad Date: January 2026
- Construction: late May 2026

SH 94 Region Line East Resurfacing

- Location/Extent: SH 94 Region Line East to US 40/287 (MP 35 - 86)
- Scope: 2" HMA Overlay
- Budget Range: \$10 - 14M
- Ad Date: Spring 2026
- Construction: Summer 2026

Structure D-22-C Bridge Preventative Maintenance

- Location/Extent: Structure D-22-C, 9 miles south of Brush, CO on SH 71
- Scope: Bridge Preventative Maintenance
- Budget Range: \$500K - \$1.3M
- Ad Date: Fall 2026
- Construction: Summer 2027

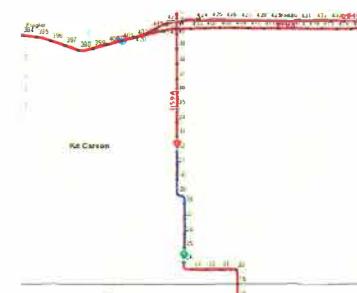

27288 - US 287 Panel Replacement and Bridge Preventative Maintenance

- Location/Extent: US 287 South of Kit Carson, CO - MP 122.5 - 133 & Structure J-25-E
- Scope: Concrete Panel Replacement & Bridge Preventative Maintenance
- Budget Range: \$10 - 13M
- Ad Date: Fall 2026 or Spring 2027
- Construction: Summer 2027

27286 CO 59 Resurfacing MP 24 - 32

- Location/Extent: CO 59 South of Seibert MP 24 - 32
- Scope: Full Depth Reclamation with HMA Overlay
- Budget Range: \$14 - 16M
- Ad Date: Fall 2026 or Spring 2027
- Construction: Summer 2027

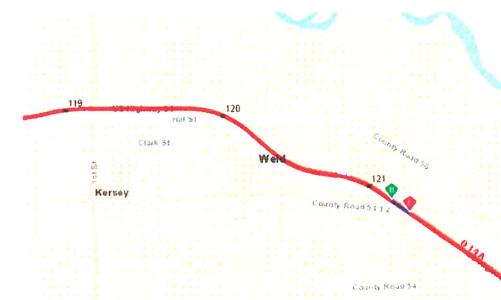

Greeley Residency (Unit 1) Bid Opportunities

Daniel Mattson | (970)350-2240 | Daniel.Mattson@state.co.us

25139, UPRR Spur Removal, US 34 (Kersey)

Location/Extent: US 34 MP 121.2 - 121.3

Scope: Removal of at-grade railroad crossing

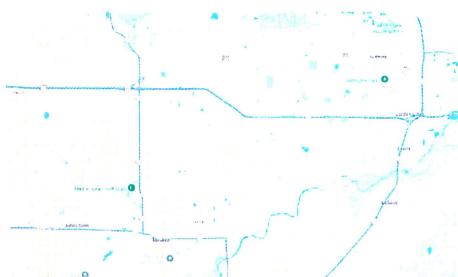

Budget Range: <\$250k

Ad Date: Spring 2026

Construction: Summer 2026

26174 & 27182, Greeley & Evans Curb Ramps (Two Packages)

- Location/Extent: Various locations in Johnstown, Milliken, Greeley
- Scope: Curb ramp replacements
- Budget Range: \$1-2M (each)
- Ad Date: February 2026 and Fall 2026
- Construction: May-August, Oct.-Jan.

11

Greeley Residency (Unit 2) Bid Opportunities

Louis Keen (970)397-4947 | Louis.Keen@state.co.us

26370: I-76 Phase IV Reconstruction and MPDG Improvements

- Location/Extent: I-76 milepost 90.57- 92.6 (Morgan County)
- Scope: Reconstruction interstate highway with bridge replacements, Construction of Park and Ride at CO 71.
- Budget Range: > \$50M
- Ad Date: Summer 2026

25147, CO 52 & CR 59 Intersection Improvements

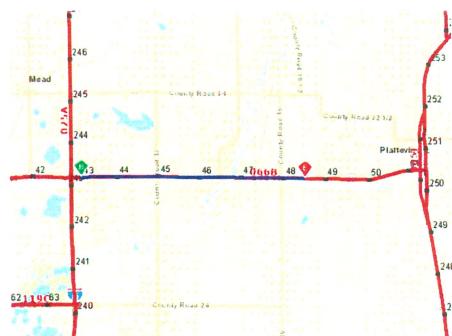

- Location/Extent: CO52A at WCR59 Intersection.
- Scope: Intersection reconstruction to be a roundabout with lighting.
- Budget Range: \$10-20M
- Ad Date: June 2027
- Construction: September 2027

Concrete roundabout

15

26200, CO 66 Resurfacing East of I-25

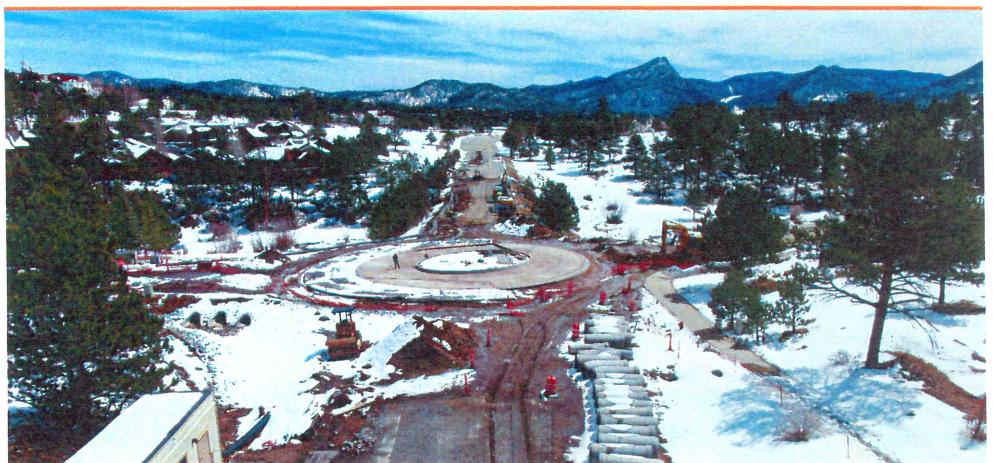

- Location/Extent: CO66B from WCR9.5 to WCR17. CO66 at WCR19 Intersection.
- Scope: CO66B resurfacing between WCR9.5 and WCR17. Signalization of the CO66B and WCR19 intersection. ADA ramp improvements at CO66B and WCR9.5 intersection.
- Budget Range: \$1-5M
- Ad Date: October 2026
- Construction: December 2026

Asphalt

14

Loveland Residency (Unit 1) Bid Opportunities Gina Fox | (970) 939-6582 | gina.fox@state.co.us

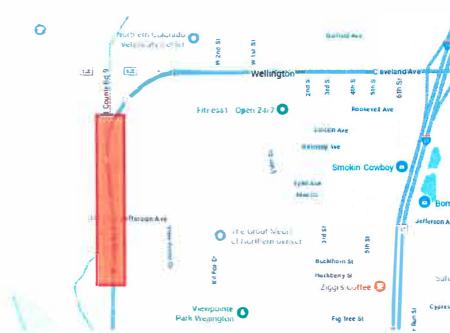

26806, R4 Culvert Repairs

- Location/Extent: CO1 @ MP's 8.40 and 7.93, I-25 Frntg @ MP 274.88, CO402 at MP's 3.60 and 3.74, and CO56 at MP 8.90
- Scope: Various Culvert Linings through Residency (Larimer County)
- Budget Range: \$500k-\$1M
- Ad Date: January 2026
- Construction: March 2026 - April 2026

25000, CO 1 Intersection Improvements

- Location/Extent: CO 1/LCR9, and CO1/Jefferson Ave.
- Scope: FDR LCR 9 (HMA) for Aux Lane from LCR 9 onto CO1. Remove/Install RCP at North Poudre Irr. Ditch Co. Crossing. Sawcut/Widen HMA at CO1/Jefferson for added Left Turn. Other-signing/striping and removals.
- Budget Range: \$1-3M
- Ad Date: November 2026
- Construction: January 2027 - June 2027

17

18

27016, US 34 at Cheyenne Avenue

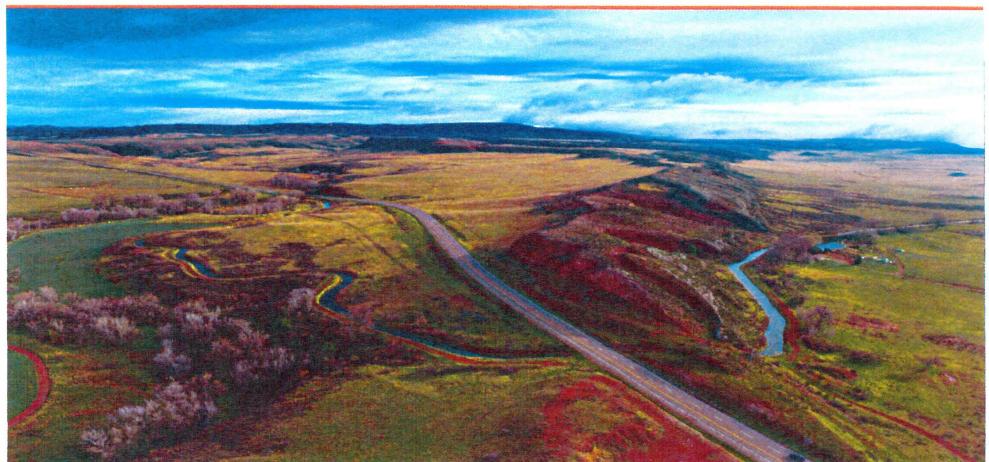

- Location/Extent: US34/Boise Ave. and US34/Cheyenne Ave.
- Scope: Median Construction, Curb ramps, Asphalt patching, Striping
- Budget Range: \$1-2M
- Ad Date: May 2026
- Construction: Summer 2026

19

Loveland Residency (Unit 2) Bid Opportunities

Chris Boespflug | (720) 775-8482 | Chris.Boespflug@state.co.us

27210, US 287 Safety Improvements

- Location/Extent: Various Locations along US 287 from MP 355 to MP 385
- Scope: Safety Project Package 1; Intersection Improvements (Bonner Springs Rd and Red Mountain Rd), Resurfacing, Snow Gate installation
- Budget Range: \$5-10M
- Ad Date: April 2026
- Construction: Summer 2026

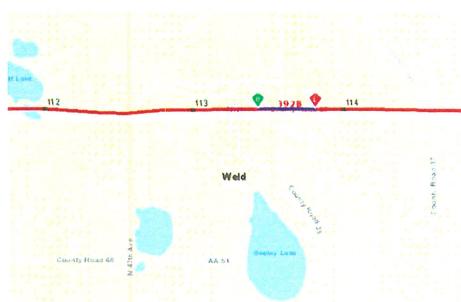

27211, US 287 Safety Improvements

- Location/Extent: Various Locations along US 287 from MP 355 to MP 385
- Scope: Safety Project Package 2; 2 SB Passing Lanes, ~9 miles of Shoulder Widening, 10 miles of Wildlife Fencing, Resurfacing (~80K tons), Bridge Replacement, Bridge Preventative Maint
- Budget Range: \$20-40M
- Ad Date: January 2027
- Construction: Spring 2027

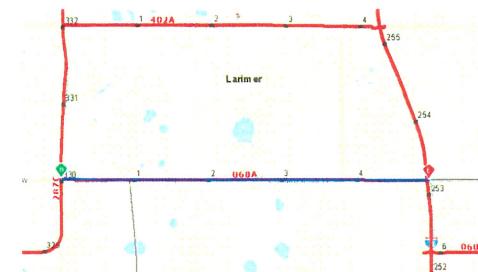

24798, CO 392 & Weld CR 35

- Location/Extent: CO 392 & WCR 35 Intersection
- Scope: Intersection Improvements
- Budget Range: \$2-5M
- Ad Date: March 2026
- Construction: Summer 2026

26928, CO 60 West Chipseal

- Location/Extent: CO 60 West of I-25 to US 287
- Scope: Chip Seal
- Budget Range: \$500K-1M
- Ad Date: March 2026
- Construction: Summer 2026

Sterling Residency Bid Opportunities

Joel McCracken | (970) 520-7005 | joel.mccracken@state.co.us

26267: US 6J Atwood to Sterling

- Location/Extent: Logan County US 6J MP 398 to MP 404

- Scope:

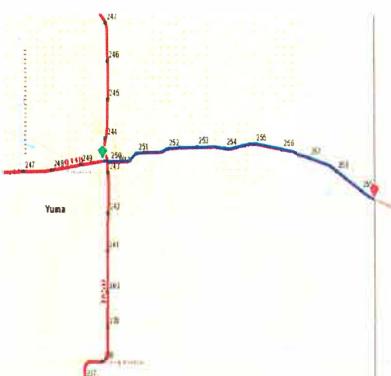

- Asphalt milling
- PCCP overlay and reconstruction
- Structure replacement and median improvements
- Storm sewer upgrades
- Ditch and roadside safety improvements
- Guardrail and signage upgrades

- Budget Range: >\$20M

- Ad Date: December 2025

26994: US 34 and US 385 in the City of Wray

- Location/Extent: Yuma County US 34 MP 249.765 and MP 259.529, US 385 MP 242.782 and MP 243.350

- Scope:

- Reconstruction of US 34 in Wray (PCCP or HMA)
- Retaining wall replacement
- Storm sewer upgrades
- Sidewalk and curb and gutter improvements
- HMA mill and fill on US 385 in Wray
- HMA overlay of US 34 from Wray east

- Budget Range: \$15-20M

- Ad Date: February 2027

Boulder Residency Update

Dan Marcucci | (303) 921-3091 | daniel.marcucci@state.co.us

Anthony Meneghetti | (303) 512-5915 | anthony.meneghetti@state.co.us

26361, US 36 Guardrail Replacement

- Location/Extent: MM 14.8-16.0
- Scope: Guardrail replacement and moment slab
- Budget Range: \$1-5M
- Ad Date: December 2025
- Construction: Spring 2026

29

25961, CO 119 and Hover Intersection Improvements CP3

- Location/Extent: MP 53.3 -54.5
- CM/GC - Kraemer (Prime) w/ subcontracting opportunities
- Scope: Operational, intersection, safety, and transit improvements on CO 119 and the Hover Street intersection
- Budget Range: \$20-40M
- Ad Date: April 2026
- Construction: July 2026

30

26410, US 287: Median Safety Berthoud South

- Location/Extent: MM 305 -322.5
- Scope: Concrete Median Barrier and Intersection Improvements
- Budget Range: >\$20M
- Ad Date: Fall 2026
- Construction: Spring 2027

31

24705, CO 7 Corridor Improvements (95th Street, Willow Creek Drive, Park Lake Drive)

- Location/Extent: CO 7 MP 57.3 -59.5
- Scope: Intersection widening, sidewalk and curb ramp improvements, signal improvements, drainage
- Budget Range: \$10-20M
- Ad Date: June 2026
- Construction: Late 2026 - 2027

32

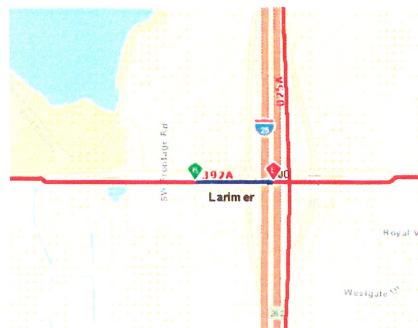

Traffic Design Residency Bid Opportunities

Bryce Reeves, 970-350-2126, bryce.reeves@state.co.us

26435, CO 392 & I-25 Ramp Signal

- Location/Extent: CO 392 over I-25
- Scope: Signal improvements and minor concrete modifications
- Budget Range: \$250k-\$500k
- Ad Date: November 2025
- Construction: Spring 2026

34

25615, US 287 Longmont Bike/Ped Safety Improvements

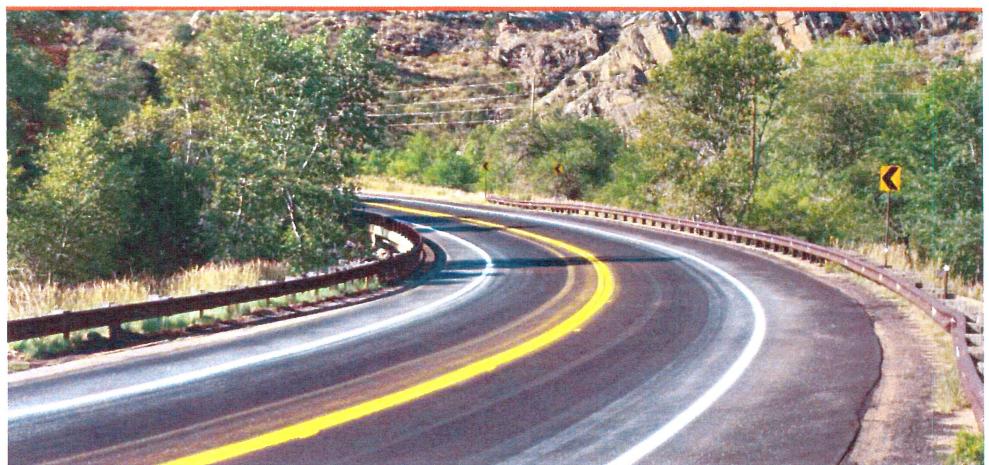

- Location/Extent: US 287 from CO 119 to CO 66
- Scope: Signal replacement, ADA upgrade, striping, and bike/ped improvements
- Budget Range: \$1-5M
- Ad Date: April 2026
- Construction: Summer 2026

Traffic Operations Residency Bid Opportunities

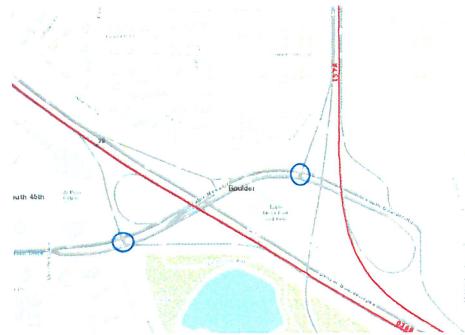

Jonathan Woodworth | (970) 415-1029 | jonathan.woodworth@state.co.us

35

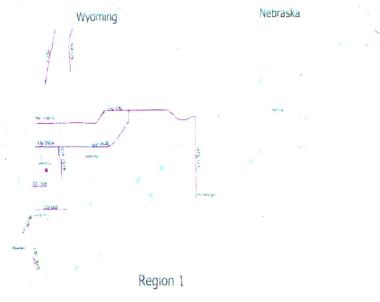

26341 - Region 4 FY27 Signal Replacement

- Location/Extent: Two intersections in Boulder
 - SB CO-157 (Foothills Pkwy) & Table Mesa Dr / S. Boulder Road
 - EB US-36 & Table Mesa Dr
- Scope: Rebuild (2) signalized intersections
- Budget Range: \$1-5M
- Ad Date: December 2025
- Construction: 2026

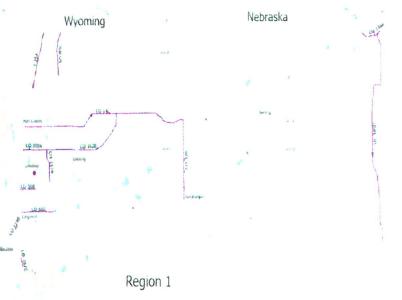

TBD - Region 4 FY27 Epoxy

- Location/Extent: Region wide
- Scope: Removal and application of pavement markings
- Budget Range: \$1-5M
- Ad Date: Summer/Fall 2026
- Construction: 2026/2027

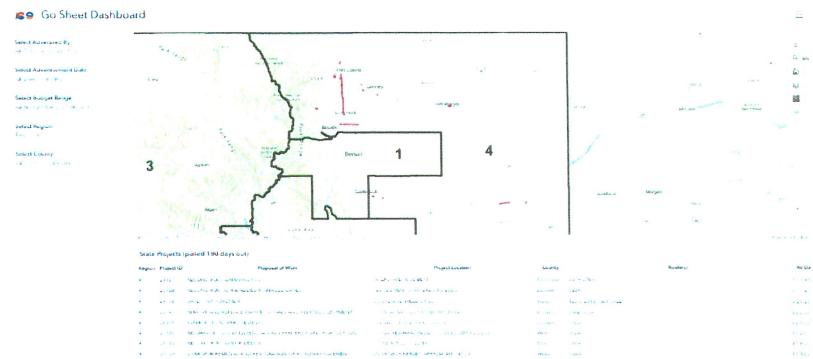

TBD - Region 4 FY27 Stencils

- Location/Extent: Region wide
- Scope: Removal and application of thermoplastic stencil markings
- Budget Range: \$500k-1million
- Ad Date: Summer 2026
- Construction: 2026/2027

New Go-Sheet

Daniel Buendia - Town Project Engineer
970.344.5807
dbuendia@berthoud.org

Town of Berthoud Projects for 2026/2027

Title: Berthoud Arboretum at Waggener Farm Park

Scope: Heavy grading work, install 4 drainage ponds and central “natural” channel, install prefab restroom facility, ~2 miles of concrete trail, ~2 ac asphalt parking lot, and multiple park amenity installs.

Contracting Method: DBB

Bid Posting: BidNet

Title: 2026 Road Improvements

Scope: ~2 centerline miles repair/rebuild of AC roads, and associated C&G.

Contracting: Bid-Build

Bid Posting: BidNet

Title: 2026 Sidewalk Improvements

Scope: R&R of ~1 mile of sidewalk and associated C&G.

Contracting: Bid-Build

Bid Posting: BidNet

Title: Serenity Ridge Drainage Improvements

Scope: Install SD, regrade existing site drainage facilities, R&R damaged roadway, some landscaping repair/restoration.

Contracting: DBB

Bid Posting: BidNet

Title: Spartan Ave. Extension

Scope: Connect existing roadway across BNSF RR crossing, ~1/4 mile of new roadway and trail. Agency compliant grade crossing.

Contracting: DBB

Bid Posting: BidNet
